Before the court is the report and recommendation of the magistrate judge, wherein it is recommended that plaintiff's claims in the above-captioned suit be dismissed with prejudice.¹ After a de novo review of the record, including all objections filed thereto, the court finds that the report and recommendation is correct under applicable law and jurisprudence. Accordingly, it is hereby

ORDERED, ADJUDGED and DECREED that all claims by plaintiff in the above-captioned suit are **DENIED** and **DISMISSED** with prejudice.

Our review of the record in this case also reveals a number of more recent filings. Given the court's dismissal of all claims in this matter, it is further

ORDERED that all other pending motions are **DENIED** as **MOOT**.²
